## SLIQ

RRID:SCR 005003

Type: Tool

### **Proper Citation**

SLIQ (RRID:SCR\_005003)

#### Resource Information

URL: http://bioinformatics.rutgers.edu/Software/SLiQ/

Proper Citation: SLIQ (RRID:SCR\_005003)

**Description:** Software for simple linear inequalities based Mate-Pair reads filtering and scaffolding. A set of simple linear inequalities (SLIQ) derived from the geometry of contigs on the line that can be used to predict the relative positions and orientations of contigs from individual mate pair reads and thus produce a contig digraph. The SLIQ inequalities can also filter out unreliable mate pairs and can be used as a pre-processing step for any scaffolding algorithm. This tool filters mate pairs and then produces a Directed Contig Graph (contig diGraph). Also provided is a Naive scaffolder that can then produce scaffolds out of the contig diGraph.

Abbreviations: SLIQ

Synonyms: Simple linear inequalities, SLiQ: Simple linear inequalities based Mate-Pair

reads filtering and scaffolding

**Resource Type:** software resource

**Defining Citation: PMID:23057825** 

**Keywords:** python, scaffolding, contig position, contig orientation, bio.tools

**Funding:** 

Resource Name: SLIQ

Resource ID: SCR 005003

Alternate IDs: biotools:sliq, OMICS\_00048

Alternate URLs: https://bio.tools/sliq

**Record Creation Time:** 20220129T080227+0000

**Record Last Update:** 20250410T065221+0000

### **Ratings and Alerts**

No rating or validation information has been found for SLIQ.

No alerts have been found for SLIQ.

#### **Data and Source Information**
