Proper Citation: Alamo Tissue Service, Ltd. (RRID:SCR_005005)

Description: Alamo Tissue Service, headquartered in San Antonio, Texas, is a distributor of high quality tissue allografts to physicians, hospitals, surgical clinics and tissue banks. We are a licensed tissue bank and our quality assurance program meets both the Federal Food & Drug Administration (FDA) regulations and American Association of Tissue Bank (AATB) Standards. A list of allografts processed from donated human tissue include: * Fresh frozen ligaments, tendons, and traditional grafts. * Freeze-dried (lyophilized) tissue, cancellous, cortical, femoral shaft, cloward dowel, tricortical block, tibial shaft, unicortical block, fibula section, femoral ring, patella tricortical, radius section, costal cartilage, fascia, femoral head. Alamo Tissue Service is dedicated to providing the highest quality tissue available and our ability to network with the finest accredited Tissue Banks in the United States allows us to help you with those hard to find specialty grafts. Alamo Tissue is available 24 hours a day through our toll-free or local telephone numbers. We look forward to working with you and your facility. Alamo Tissue Service would like to thank all donor families during their time of grief for remembering the needs of others.
