Proper Citation

MicrobesOnline (RRID:SCR_005507)

Resource Information

URL: http://microbesonline.org/

Proper Citation: MicrobesOnline (RRID:SCR_005507)

Description: MicrobesOnline is designed specifically to facilitate comparative studies on prokaryotic genomes. It is an entry point for operon, regulons, cis-regulatory and network predictions based on comparative analysis of genomes. The portal includes over 1000 complete genomes of bacteria, archaea and fungi and thousands of expression microarrays from diverse organisms ranging from model organisms such as Escherichia coli and Saccharomyces cerevisiae to environmental microbes such as Desulfovibrio vulgaris and Shewanella oneidensis. To assist in annotating genes and in reconstructing their evolutionary history, MicrobesOnline includes a comparative genome browser based on phylogenetic trees for every gene family as well as a species tree. To identify co-regulated genes, MicrobesOnline can search for genes based on their expression profile, and provides tools for identifying regulatory motifs and seeing if they are conserved. MicrobesOnline also includes fast phylogenetic profile searches, comparative views of metabolic pathways, operon predictions, a workbench for sequence analysis and integration with RegTransBase and other microbial genome resources. The next update of MicrobesOnline will contain significant new functionality, including comparative analysis of metagenomic sequence data. Programmatic access to the database, along with source code and documentation, is available at http://microbesonline.org/programmers.html.

Abbreviations: MicrobesOnline

Synonyms: Microbial Genomics Database, Microbes Online

Resource Type: production service resource, source code, software resource, data analysis service, service resource, analysis service resource, database, data or information resource

Defining Citation: PMID:19906701

Keywords: microbe, genome, bacteria, archaea, fungi, prokaryote, bio.tools, FASEB list

Funding: DOE DE-AC02-05CH11231

Resource Name: MicrobesOnline

Resource ID: SCR_005507

Alternate IDs: nlx_144607, biotools:microbesonline

Alternate URLs: https://bio.tools/microbesonline

Record Creation Time: 20220129T080230+0000

Record Last Update: 20250428T053157+0000

Ratings and Alerts

No rating or validation information has been found for MicrobesOnline.

No alerts have been found for MicrobesOnline.
