Proper Citation: Research at Cincinnati Childrens (RRID:SCR_005703)

Description: Foundation scientists and physicians conduct breakthrough research to improve care for children as well as train the next generation of investigators. Cincinnati Children's Research Foundation is dedicated to advancing basic, translational, clinical and outcomes-based research. Why choose our cores for your research? We can provide you with cutting-edge, cost-effective technology and data analysis that would be unattainable on an individual research basis. Our fee-for-service program also offers unique studies that you can't find anywhere else. Our faculty also has access to the research cores hosted at the University of Cincinnati College of Medicine. * Animal Behavioral Core * Cardiovascular Imaging Core * Cell Manipulations Laboratory * Cell Processing Core * Cincinnati Biobank * Cincinnati Center for Nutritional Research and Analysis * Comprehensive Mouse and Cancer Core * Gene Expression Microarray Core * Genetic Variation and Gene Discovery Core * Imaging Research Center * Laser Capture Microdissection Microscopy * Lenti-shRNA Library Core * Pathology Research Core * Pluripotent Stem Cell Facility * Research Flow Cytometry Core * Stem Cell Processing Core Lab * Transgenic and Gene Targeting Core * Translational Core Labs * Translational Trials Development and Support Laboratory (TTDSL) * Vector Production Facility * Veterinary Services * Viral Vector Core Support Services: We provide expert consultation, including grant proposal design, data management and regulatory compliance, to investigators at Cincinnati Children's. Research Education and Training: The Cincinnati Children's Research Foundation offers research-based education and training options for scientists, often in conjunction with the University of Cincinnati. High School Programs, Undergraduate Programs, Graduate Degree Programs, Medical Student Program, Postgraduate Programs, Postdoctoral Programs

Abbreviations: Research at Cincinnati Children's

Synonyms: Cincinnati Children's Research Foundation

Resource Type: portal, service resource, data or information resource, training resource, organization portal, training service resource

Keywords: pediatric, child, young human

Resource Name: Research at Cincinnati Childrens

Resource ID: SCR_005703

Alternate IDs: nlx_149152
