Description: ProQuest Dissertation Publishing has been publishing dissertations and theses since 1938. In that time, we have published over 2 million graduate works from graduate schools around the world. We have over 700 active university publishing partners, and publish more than 70,000 new graduate works each year. In addition to publishing, we provide access to graduate works for thousands of libraries around the world. Based on your interests, you should find the information you need below: * Authors - Information for authors on why and how to publish their graduate work with us. * Grad Schools & Libraries - Learn about the benefits of publishing, and why to submit online. * Researchers - We can help you find the dissertation or thesis you need.
