# **Phytozome**

RRID:SCR\_006507

Type: Tool

### **Proper Citation**

Phytozome (RRID:SCR\_006507)

#### **Resource Information**

URL: http://www.phytozome.net/

**Proper Citation:** Phytozome (RRID:SCR\_006507)

**Description:** A comparative platform for green plant genomics. Families of orthologous and paralogous genes that represent the modern descendents of ancestral gene sets are constructed at key phylogenetic nodes. These families allow easy access to clade specific orthology / paralogy relationships as well as clade specific genes and gene expansions. As of release v9.1, Phytozome provides access to forty-one sequenced and annotated green plant genomes which have been clustered into gene families at 20 evolutionarily significant nodes. Where possible, each gene has been annotated with PFAM, KOG, KEGG, and PANTHER assignments, and publicly available annotations from RefSeq, UniProt, TAIR, JGI are hyper-linked and searchable.

Abbreviations: Phytozome

**Resource Type:** data analysis service, database, data or information resource, analysis service resource, production service resource, service resource

**Defining Citation:** PMID:22110026

**Keywords:** genome, genomics, plant, green plant, cluster sequence, alignment, gene, node, cluster, blast, blat, biomart, peptide homolog, gene ancestry, sequence, annotation, gene structure, gene family, genome organization, comparative genomics, physiology, comparative, bio.tools, FASEB list

Funding: Gordon and Betty Moore Foundation;

DOE DE-AC02-05CH11231

Resource Name: Phytozome

Resource ID: SCR\_006507

**Alternate IDs:** biotools:phytozome, nlx\_151490

Alternate URLs: https://bio.tools/phytozome

**Record Creation Time:** 20220129T080236+0000

**Record Last Update:** 20250417T065247+0000

### Ratings and Alerts

No rating or validation information has been found for Phytozome.

No alerts have been found for Phytozome.

#### Data and Source Information
