L1Base

RRID:SCR_007750

Type: Tool

Proper Citation

L1Base (RRID:SCR_007750)

Resource Information

URL: <http://line1.molgen.mpg.de>

Proper Citation: L1Base (RRID:SCR_007750)

Description: L1Base is a dedicated database containing putatively active LINE-1 (L1) insertions residing in human and rodent genomes: a) intact in the two ORFs, full length L1s (FLI-L1s) and b) L1s with intact ORF2 but disrupted ORF1 (ORF2-L1s). In addition, due to their regulatory potential, the full length (>6000bp) non-intact L1s (FLnI-L1s) were also included in the database.

Synonyms: L1Base

Resource Type: data or information resource, database

Keywords: fl-l1, flni-l1, full length l1, full length non-intact l1, l1, line, line-1, orf2-l1

Resource Name: L1Base

Resource ID: SCR_007750

Alternate IDs: nif-0000-03076

Record Creation Time: 20220129T080243+0000

Record Last Update: 20260811T043318+0000

Ratings and Alerts

No rating or validation information has been found for L1Base.

No alerts have been found for L1Base.

Data and Source Information

Usage and Citation Metrics

We found 23 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
