Proper Citation: USC Geriatric Studies Center/Alzheimer's Disease Research Center (RRID:SCR_008725)

Description: The USC Geriatric Studies Center includes the State of California Alzheimer's Research Center of California and the National Institute of Aging funded clinical program of the USC Alzheimer's Disease Research Center. It is staffed by USC faculty and physicians with expertise in Alzheimer's disease and age related memory loss. The Center provides evaluation, diagnosis and treatment recommendations, referral to caregiver services and support groups, and the opportunity to participate in clinical drug trials for memory problems.

Abbreviations: USC Geriatric Studies Center

Resource Type: topical portal, data or information resource, portal, disease-related portal

Keywords: alzheimer's disease, age related memory loss, memory loss, memory impairment

Related Condition: Aging

Availability: Available to the research community, Public

Resource Name: USC Geriatric Studies Center/Alzheimer's Disease Research Center

Resource ID: SCR_008725

Alternate IDs: nlx_143675

Record Creation Time: 20220129T080249+0000

Record Last Update: 20260804T043410+0000
