Fleming Database

RRID:SCR_008920

Type: Tool

Proper Citation

Fleming Database (RRID:SCR_008920)

Resource Information

URL: <http://bioit.fleming.gr/fleming/>

Proper Citation: Fleming Database (RRID:SCR_008920)

Description: A database of all mouse strains developed and/or housed in the Alexander Fleming Biomedical Sciences Research Center (BSRC), Greece, available to both internal and external researchers. The animal house unit provides its services to the various research groups of the BSCR as well as to external contractors in Europe and U.S.A. (pharmaceutical and biotechnology companies, leading hospitals, and academic institutions). The information provided includes: general information (i.e. internal Fleming contact, original mouse creator, allelic composition and MTA details), availability (i.e. available genetic background and strain state), allele & mutations (i.e. allele name and symbol and mutation type), publications and handling & genotyping instructions.

Abbreviations: Fleming Database

Resource Type: biomaterial supply resource, material resource, organism supplier

Keywords: transgenic, mutant, allele, mutant mouse strain

Availability: Provides its services to BSCR as well as to external contractors in Europe and U.S.A. (pharmaceutical and biotechnology companies, Leading hospitals, And academic institutions)

Resource Name: Fleming Database

Resource ID: SCR_008920

Alternate IDs: nlx_151624

Record Creation Time: 20220129T080250+0000

Record Last Update: 20260804T043400+0000
