COPE

RRID:SCR_009153

Type: Tool

Proper Citation

COPE (RRID:SCR_009153)

Resource Information

URL: <http://www.infobiogen.fr/services/CoPE>

Proper Citation: COPE (RRID:SCR_009153)

Description: Software application that includes a Java program for drawing pedigrees and a standardized system for pedigree storage. Unlike other existing pedigree programs, this software is particularly intended for epidemiologists in the sense that it allows customized automatic drawing of large numbers of pedigrees and remote and distributed consultation of pedigrees. (entry from Genetic Analysis Software)

Abbreviations: COPE

Synonyms: COllaborative Pedigree drawing Environment

Resource Type: software resource, software application

Keywords: gene, genetic, genomic, java

Resource Name: COPE

Resource ID: SCR_009153

Alternate IDs: nlx_154274

Record Creation Time: 20220129T080251+0000

Record Last Update: 20260801T191056+0000

Ratings and Alerts

No rating or validation information has been found for COPE.

No alerts have been found for COPE.
