## INIA19 Primate Brain Atlas

RRID:SCR\_009498

Type: Tool

### Proper Citation

INIA19 Primate Brain Atlas (RRID:SCR\_009498)

### Resource Information

**URL:** <http://www.nitrc.org/projects/inia19/>

**Proper Citation:** INIA19 Primate Brain Atlas (RRID:SCR\_009498)

**Description:** Primate brain atlas created from over 100 structural MR scans of 19 rhesus macaque animals. The atlas currently comprises high-resolution T1-weighted average MR images with and without skull stripping, tissue probability maps, and a detailed parcellation map based on the NeuroMaps atlas.

**Abbreviations:** INIA19 Primate Brain Atlas

**Resource Type:** atlas, reference atlas, data or information resource

**Defining Citation:** [PMID:23230398](#)

**Keywords:** atlas data, magnetic resonance, nifti, neuromaps, brain atlas, mri, minimum-deformation template

**Funding:**

**Availability:** Creative Commons Attribution License

**Resource Name:** INIA19 Primate Brain Atlas

**Resource ID:** SCR\_009498

**Alternate IDs:** nlx\_155646

**Record Creation Time:** 20220129T080253+0000

**Record Last Update:** 20250412T055425+0000
