Harvard Gene Therapy Initiative Core

RRID:SCR_009848

Type: Tool

Proper Citation

Harvard Gene Therapy Initiative Core (RRID:SCR_009848)

Resource Information

URL: <http://harvard.eagle-i.net/i/0000012c-60a9-25c8-c437-ff0b80000000>

Proper Citation: Harvard Gene Therapy Initiative Core (RRID:SCR_009848)

Description: Core facility that provides the following services: MLV plasmid construction service, HIV plasmid construction service, Adenovirus plasmid construction service. The Harvard Gene Therapy Initiative was founded with the objective of promoting the use of gene therapy in both research and therapeutic applications and to conduct research developing new gene delivery vector technologies.

Resource Type: access service resource, core facility, service resource

Keywords: plasmid purification

Resource Name: Harvard Gene Therapy Initiative Core

Resource ID: SCR_009848

Alternate IDs: nlx_156316

Alternate URLs: <http://hgti.med.harvard.edu/>

Record Creation Time: 20220129T080255+0000

Record Last Update: 20260905T133335+0000

Ratings and Alerts

No rating or validation information has been found for Harvard Gene Therapy Initiative Core.

No alerts have been found for Harvard Gene Therapy Initiative Core.

Data and Source Information

Usage and Citation Metrics

We found 42 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
