ORION

RRID:SCR_010621

Type: Tool

Proper Citation

ORION (RRID:SCR_010621)

Resource Information

URL: <https://github.com/CBL-ORION/orion>

Proper Citation: ORION (RRID:SCR_010621)

Description: Project to develop tools that explore single neuron function via sophisticated image analysis. ORION software bridges advanced optical imaging and compartmental modeling of neuronal function by rapidly, accurately, and robustly generating, from structural image data, a cylindrical morphology model suitable for simulating neuronal function.

Synonyms: ORION Research

Resource Type: data processing software, image analysis software, software application, software resource, source code

Keywords: structural imaging, reconstruction, simulation, functional imaging, multiphoton, confocal

Funding: University of Houston; Texas; USA ;
NIA RO1-AG027577;
NSF IIS-0431144;
NSF IIS-0638875;
NSF DMS-0915242

Availability: Free, Available for download, Freely available

Resource Name: ORION

Resource ID: SCR_010621

Alternate IDs: nlx_56302

Old URLs: <http://cbl.uh.edu/ORION/research/overview>, <http://cbl.uh.edu/ORION/>

Record Creation Time: 20220129T080259+0000

Record Last Update: 20260912T200100+0000

Ratings and Alerts

No rating or validation information has been found for ORION.

No alerts have been found for ORION.
