Description: The nation's fourth-oldest medical school, draws on the world-class resources of Dartmouth College and Dartmouth-Hitchcock Medical Center for broad interdisciplinary programs in biomedical research, education, patient care and service. Educational Programs include: MD Program, MD-PhD Program, MD/MBA Program, MPH, MS Programs, PhD - Biomedical Science, Continuing Medical Education, Graduate Medical Education We are committed to updating our curriculum every year, and to finding ways to improve each course and clerkship. Students and faculty often work together to plan these modifications and improvements. These stimulating changes, combined with their traditions of close mentoring relationships between faculty and students, and cooperation between students while learning, make DMS a wonderful place to learn medicine.
