# Human Brain Project

RRID:SCR\_013655 Type: Tool

## **Proper Citation**

Human Brain Project (RRID:SCR\_013655)

## **Resource Information**

URL: http://thehumanbrainproject.com

Proper Citation: Human Brain Project (RRID:SCR\_013655)

**Description:** THIS RESOURCE IS NO LONGER IN SERVICE, documented on April 16, 2013. The resource redirects to its parent, OSSP. Project seeking to increase the transparency and accessibility of the scientific research process by connecting researchers with an additional source of funding - microinvestments received from the broader online community. In exchange for these public investments, researchers will maintain research logs detailing the play-by-play progress made in their project, as well as publishing all of their data in a public database under a science commons license. These research projects, in turn, will serve to continually update a research-based neuroscience-based human brain & body curriculum.

#### Abbreviations: HBP

Resource Type: portal, data or information resource, funding resource

Funding:

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Human Brain Project

Resource ID: SCR\_013655

Alternate IDs: nif-0000-32932

Record Creation Time: 20220129T080317+0000

## **Ratings and Alerts**

No rating or validation information has been found for Human Brain Project.

No alerts have been found for Human Brain Project.

## Data and Source Information

Source: SciCrunch Registry

### **Usage and Citation Metrics**

We found 6 mentions in open access literature.

Listed below are recent publications. The full list is available at <u>RRID</u>.
