Proper Citation: EndNote (RRID:SCR_014001)

Description: A software application which helps users build a bibliography as they write formatted papers, manuscripts and other research-rich documents. Users can search multiple databases and collect PDFs as references for papers, then organize them within EndNote. Bibliographies and citations can be compiled within Microsoft Word using built-in tools. Papers are stored within an EndNote library and can be shared with colleagues.

Resource Type: software application, software resource

Keywords: software application, bibliography, authoring

Availability: Available to the research community, Fee (for different packages)

Resource Name: EndNote

Resource ID: SCR_014001
