Proper Citation: NiiStat (RRID:SCR_014152)

Description: A set of Matlab scripts for analyzing neuroimaging data from clinical populations. The NiiStat tools are designed to correlate behavioral data (task performance) with brain imaging data.

Resource Type: data processing software, source code, software application, data analysis software, software resource

Keywords: matlab script, source code, data analysis, neuroimaging data, clinical population

Availability: Available to the research community

Resource Name: NiiStat

Resource ID: SCR_014152
