Braincon Platform Software

RRID:SCR_014244

Type: Tool

Proper Citation

Braincon Platform Software (RRID:SCR_014244)

Resource Information

URL: <https://www.freidok.uni-freiburg.de/data/10094>

Proper Citation: Braincon Platform Software (RRID:SCR_014244)

Description: Software that processes neural data at run-time to control the implant's electrical stimulation functionality for the Braincon brain-computer interface (BCI). Braincon Platform Software is a general, flexible and verifiable BCI software architecture with a filter pipeline for low-latency multi-threaded processing of neuronal signals.

Synonyms: BCI Braincon Platform Software

Resource Type: data management software, software resource, software application

Defining Citation: [DOI:10.6094/UNIFR/10094](https://doi.org/10.6094/UNIFR/10094)

Keywords: brain computer interface, bci software, neuronal signal, neural data processing, electrical stimulation functionality
