LSM Image Examiner

RRID:SCR_014344

Type: Tool

Proper Citation

LSM Image Examiner (RRID:SCR_014344)

Resource Information

URL: http://www.embl.de/eamnet/html/body_image_browser.html

Proper Citation: LSM Image Examiner (RRID:SCR_014344)

Description: Software used to compile images obtained from the Zeiss LSM 510 confocal microscope. The browser can be used for general image archiving and handling and interactive measurement in labs and workgroups. Features include orthogonal sectioning, 3D cut function, 3D view with calculation of single projections, and interactive measurement functions in the overlay dialog, such as scale bar, distance, and area.

Synonyms: LSM Image Browser

Resource Type: data management software, software resource, software application

Keywords: data management software, image archive, image management, interactive measurement

Availability: Available for download

Resource Name: LSM Image Examiner

Resource ID: SCR_014344

Alternate URLs: http://www.zeiss.com/microscopy/en_us/website/downloads/lsm-image-browser.html <http://lsm-image-examiner.software.informer.com>

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260804T043541+0000

Ratings and Alerts

- Used for imaging technique by the Human Islet Research Network community. Contact(s): [Diane Saunders](#), [Marcela Brissova](#), [John Walker](#), [Dale Greiner](#), [Al Powers](#) - Human Islets Research Network <https://hirnetwork.org/>

No alerts have been found for LSM Image Examiner.
