Proper Citation: Wolfram Mathematica (RRID:SCR_014448)

Description: A technical computing software and computing environment that provides users with algorithms and mathematical functions for various projects and purposes. The resource incorporates other Wolfram products such as Wolfram Algorithmbase, Wolfram Language, and Wolfram Knowledgebase.

Resource Type: data processing software, data storage software, software resource, software application, data analytics software, data visualization software

Keywords: analysis, computing, machine learning, wolfram notebook, meta-algorithm, cloud

Availability: Commercial product

Resource Name: Wolfram Mathematica

Resource ID: SCR_014448
