Proper Citation: Metapath (RRID:SCR_014621)

Description: A statistical package for comparing metagenomic data-sets at the pathway level. It relies on a combination of metagenomic sequence data and prior metabolic pathway knowledge, which is pulled from KEGG.

Resource Type: software resource, data processing software, software application, data analysis software

Keywords: microbiome, statistics, metagenomics, pathway, sequence, comparison

Availability: Available for download

Resource Name: Metapath

Resource ID: SCR_014621

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260806T054610+0000
