BioSigRZ

RRID:SCR_014820

Type: Tool

Proper Citation

BioSigRZ (RRID:SCR_014820)

Resource Information

URL: <http://www.tdt.com/biosigrz.html>

Proper Citation: BioSigRZ (RRID:SCR_014820)

Description: RZ6 processor tool designed for rapid animal screening. It automates the process of presenting stimulus signals and averaging response signal data. It automates the process of presenting stimulus signals and averaging response signal data by giving users control over the stimulus signal parameters used to generate stimuli that vary across successive presentations., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Synonyms: BioSigRZ - ABR and DPOAE Screening

Resource Type: data acquisition software, software resource, software application, data processing software

Keywords: rz6, animal screen, stimulus, stimuli, response, signal

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: BioSigRZ

Resource ID: SCR_014820

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260804T043538+0000

Ratings and Alerts

No rating or validation information has been found for BioSigRZ.

No alerts have been found for BioSigRZ.
