Salk Institute Peptide Synthesis Core Facility

RRID:SCR_014848

Type: Tool

Proper Citation

Salk Institute Peptide Synthesis Core Facility (RRID:SCR_014848)

Resource Information

URL: <http://www.salk.edu/science/core-facilities/peptide-synthesis/>

Proper Citation: Salk Institute Peptide Synthesis Core Facility (RRID:SCR_014848)

Description: Core facility that provides services such as peptide synthesis, incorporation of non-conventional and/or modified amino acids, HPCL characterization and purification, and Mass spec analysis.

Resource Type: access service resource, core facility, service resource

Keywords: core facility, la jolla, peptide synthesis, protein, amino acid, hpcl, mass spec

Funding: Salk Institute Peptide Synthesis Core Facility ;
NCI CCSG P30 014195

Availability: Commercially available

Resource Name: Salk Institute Peptide Synthesis Core Facility

Resource ID: SCR_014848

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260919T195915+0000

Ratings and Alerts

No rating or validation information has been found for Salk Institute Peptide Synthesis Core Facility.

No alerts have been found for Salk Institute Peptide Synthesis Core Facility.
