DataAssist

RRID:SCR_014969

Type: Tool

Proper Citation

DataAssist (RRID:SCR_014969)

Resource Information

URL: <https://www.thermofisher.com/us/en/home/technical-resources/software-downloads/dataassist-software.html>

Proper Citation: DataAssist (RRID:SCR_014969)

Description: Data analysis tool that utilizes the Comparative CT (ddCT) method to rapidly and accurately quantitate relative gene expression across a large number of genes and samples. Raw input from plates or arrays can be analyzed according to user-determined settings.

Synonyms: DataAssist Software

Resource Type: data processing software, data analysis software, software resource, software application, data visualization software

Keywords: ddCT, QC analysis, comparative ct, gene expression, data analysis, gene, plot

Availability: Free, Available for download, Account required

Resource Name: DataAssist

Resource ID: SCR_014969

License: The license for using this software is limited to data generated from Applied Biosystems Real-Time PCR instrumentation.

Record Creation Time: 20220129T080323+0000

Record Last Update: 20260805T044335+0000

Ratings and Alerts

No rating or validation information has been found for DataAssist.

No alerts have been found for DataAssist.
