## **Resource Summary Report**

Generated by RRID on May 20, 2025

# Molecular Biology and Next Generation Technology

RRID:SCR 015184

Type: Tool

### **Proper Citation**

Molecular Biology and Next Generation Technology (RRID:SCR\_015184)

#### **Resource Information**

**URL:** <a href="http://www.einstein.yu.edu/research/shared-facilities/cores/64/molecular-biology-and-next-generation-technology/">http://www.einstein.yu.edu/research/shared-facilities/cores/64/molecular-biology-and-next-generation-technology/</a>

**Proper Citation:** Molecular Biology and Next Generation Technology (RRID:SCR\_015184)

**Description:** Core that provides services ranging from classical qPCR and RT-qPCR plus specialized preparation of miRNA and development of targeted genotyping assays.

Resource Type: resource, core facility, service resource, access service resource

**Keywords:** microRNA research, molecular biology, genotyping assays

Funding: NIDDK P30DK041296

Availability: Available to the Albert Einstein College of Medicine community

Resource Name: Molecular Biology and Next Generation Technology

Resource ID: SCR\_015184

**Record Creation Time:** 20220129T080324+0000

Record Last Update: 20250519T205233+0000

### Ratings and Alerts

No rating or validation information has been found for Molecular Biology and Next Generation Technology .

No alerts have been found for Molecular Biology and Next Generation Technology .
