Neuroscan SynAmps RT 64-channel Amplifier

RRID:SCR 015818

Type: Tool

Proper Citation

Neuroscan SynAmps RT 64-channel Amplifier (RRID:SCR_015818)

Resource Information

URL: https://compumedicsneuroscan.com/product/synamps-rt-64-channel-eeg-erp-ep-amplifier/

Proper Citation: Neuroscan SynAmps RT 64-channel Amplifier (RRID:SCR_015818)

Description: Equipment that is an EEG signal amplifier for 64-channel montages. It is suitable for recording data from high sampling rate (20,000 Hz) Auditory Brain Stem recordings and Spike Spindles to true DC recordings of CNV and P300.

Resource Type: resource

Keywords: eeg, signal amplifier, signal amplification, 64 channel, neuroimaging, hardware, instrument, equipment

Funding:

Availability: Commercially available, Available for purchase

Resource Name: Neuroscan SynAmps RT 64-channel Amplifier

Resource ID: SCR_015818

Record Creation Time: 20220129T080327+0000

Record Last Update: 20250420T014745+0000

Ratings and Alerts

No rating or validation information has been found for Neuroscan SynAmps RT 64-channel

Amplifier.

No alerts have been found for Neuroscan SynAmps RT 64-channel Amplifier.

Data and Source Information

Source: SciCrunch Registry

Usage and Citation Metrics

We found 5 mentions in open access literature.

Listed below are recent publications. The full list is available at RRID.
