Feeding Experimentation Device project

RRID:SCR_015942

Type: Tool

Proper Citation

Feeding Experimentation Device project (RRID:SCR_015942)

Resource Information

URL: <https://github.com/KravitzLab/fed/wiki>

Proper Citation: Feeding Experimentation Device project (RRID:SCR_015942)

Description: Flexible open-source device for measuring feeding behavior. FED measures food intake in mice. It is battery powered and designed to be used in rodent colony caging. Home cage-compatible feeding system that measures food intake with high accuracy and temporal resolution. FED offers alternative to commercial feeders, with convenience of use in tradition colony rack caging.

Abbreviations: FED

Synonyms: , FED1, FED2, Feeding Experimentation Device system, Feeding Experimentation Device

Resource Type: topical portal, portal, data or information resource

Defining Citation: [PMID:27060385](#)

Keywords: Feeding, food intake, optogenetic, behavioral data analysis, data analysis software, behavior apparatus, behavior rig, reward delivery, behavior measurement, homecage, Instrument, OpenBehavior

Funding: NIH

Availability: Commercially available

Resource Name: Feeding Experimentation Device project

Resource ID: SCR_015942
