OpenEx

RRID:SCR_016230

Type: Tool

Proper Citation

OpenEx (RRID:SCR_016230)

Resource Information

URL: <http://www.tdt.com/openex-suite.html>

Proper Citation: OpenEx (RRID:SCR_016230)

Description: Software toolkit that is designed for configuration and control of TDT hardware. It can also display and analyze neurophysiology data., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Synonyms: The OpenEx Software Suite, OpenEx suite

Resource Type: software toolkit, software application, data processing software, data analysis software, software resource, data visualization software

Keywords: tdt, analysis, neurophysiology, hardware, companion software, control, configuration, neuroimaging, eeg, stimulation

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: OpenEx

Resource ID: SCR_016230

Record Creation Time: 20220129T080329+0000

Record Last Update: 20260804T043619+0000

Ratings and Alerts

No rating or validation information has been found for OpenEx.

No alerts have been found for OpenEx.

Data and Source Information

Usage and Citation Metrics

We found 103 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
