Proper Citation

MorphoJ (RRID:SCR_016483)

Resource Information

URL: http://www.flywings.org.uk/morphoj_page.htm

Proper Citation: MorphoJ (RRID:SCR_016483)

Description: Software package written in Java for geometric morphometric analysis for two- and three-dimensional landmark data. Offers user-friendly environment for standard multivariate analyses such as principal components, discriminant analysis and multivariate regression as well as specialized applications including phylogenetics, quantitative genetics and analyses of modularity in shape data.

Resource Type: data processing software, data analysis software, software resource, software application, software toolkit

Defining Citation: [PMID:21429143](#)

Keywords: geometric, morphometric, analyse, 2D, 3D, landmark, data, principal, component, discriminant, multivariate, regression, shape

Availability: Free, Available for download, Freely available

Resource Name: MorphoJ

Resource ID: SCR_016483

License: the Apache License, Version 2.0

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260805T044354+0000

Ratings and Alerts

No rating or validation information has been found for MorphoJ.

No alerts have been found for MorphoJ.
