PCAGO

RRID:SCR_017033

Type: Tool

Proper Citation

PCAGO (RRID:SCR_017033)

Resource Information

URL: <https://pcago.bioinf.uni-jena.de/>

Proper Citation: PCAGO (RRID:SCR_017033)

Description: Interactive web service for analysis of RNA-Seq read count data with principal component analysis (PCA) and agglomerative clustering. Includes features like read count normalization, filtering read counts by gene annotation and visualization options.

Resource Type: data access protocol, service resource, production service resource, software resource, web service, analysis service resource

Defining Citation: [DOI:10.1101/433078](https://doi.org/10.1101/433078)

Keywords: analysis, RNAseq, read, count, data, principal, component, analysis, PCA, agglomerative, clustering, normalization, filtering, gene, annotation, visualization

Funding: Deutsche Forschungsgemeinschaft (DFG) ;
International Leibniz Research School for Microbial and Biomolecular Interactions

Availability: Free, Freely available

Resource Name: PCAGO

Resource ID: SCR_017033

Alternate IDs: OMICS_32232

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260801T190545+0000

Ratings and Alerts

No rating or validation information has been found for PCAGO.

No alerts have been found for PCAGO.
