GAGE

RRID:SCR_017067

Type: Tool

Proper Citation

GAGE (RRID:SCR_017067)

Resource Information

URL: <http://bioconductor.org/packages/gage/>

Proper Citation: GAGE (RRID:SCR_017067)

Description: Software R package for gene set enrichment or pathway analysis. Applicable independent of microarray or RNAseq data attributes including sample sizes, experimental designs, assay platforms, and other types of heterogeneity. Pipeline routines of multiple GAGE analyses in batch, comparison between parallel analyses, and combined analysis of heterogeneous data from different sources and studies.

Synonyms: Generally Applicable Gene-set Enrichment for pathway analysis, gage, Generally Applicable Gene-set Enrichment, GSEA

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: gene, set, enrichment, pathway, batch, comparison, parallel, analysis, heterogeneous, data

Availability: Free, Available for download, Freely available

Resource Name: GAGE

Resource ID: SCR_017067

License: GPL

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260905T132818+0000

Ratings and Alerts

No rating or validation information has been found for GAGE.

No alerts have been found for GAGE.
