Computing Genome Assembly Likelihoods

RRID:SCR_017624

Type: Tool

Proper Citation

Computing Genome Assembly Likelihoods (RRID:SCR_017624)

Resource Information

URL: <https://pachterlab.github.io/cgal/>

Proper Citation: Computing Genome Assembly Likelihoods (RRID:SCR_017624)

Description: Software tool for computing genome assembly likelihoods. Computes likelihood of reads with respect to assembly and statistical model which can be used as metric for evaluating assemblies. Novel likelihood based approach to assembly assessment in absence of ground truth.

Abbreviations: CGAL

Resource Type: data processing software, alignment software, software resource, software application, image analysis software

Defining Citation: [PMID:23360652](#)

Keywords: Computing, genome, assembly, likelihood, read, evaluation

Funding: NHGRI R21 HG006583;
Fulbright Science & Technology Fellowship

Resource Name: Computing Genome Assembly Likelihoods

Resource ID: SCR_017624

Alternate URLs: <http://bio.math.berkeley.edu/cgal/>

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260805T044415+0000

Ratings and Alerts

No rating or validation information has been found for Computing Genome Assembly Likelihoods.

No alerts have been found for Computing Genome Assembly Likelihoods.
