iBright Analysis Software

RRID:SCR_017632

Type: Tool

Proper Citation

iBright Analysis Software (RRID:SCR_017632)

Resource Information

Proper Citation: iBright Analysis Software (RRID:SCR_017632)

Description: Software for organizing and analyzing blot and gel images captured on iBright Imaging Systems. Available as desktop version PC and Mac OS compatible and cloud-based version accessible via web browser through Connect platform.

Resource Type: data processing software, image analysis software, software application, data analysis software, software resource

Keywords: Invitrogen, image, adjustment, data, analysis, blot, gel, iBright Imaging System

Availability: Free, Available for download, Freely available

Resource Name: iBright Analysis Software

Resource ID: SCR_017632

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260806T054652+0000

Ratings and Alerts

No rating or validation information has been found for iBright Analysis Software.

No alerts have been found for iBright Analysis Software.

Data and Source Information

Usage and Citation Metrics

We found 17 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
