Vermont University Center for X-Ray Crystallography Core Facility

RRID:SCR_017688

Type: Tool

Proper Citation

Vermont University Center for X-Ray Crystallography Core Facility (RRID:SCR_017688)

Resource Information

URL: <http://www.uvm.edu/sbb/cxx/cxx.html>

Proper Citation: Vermont University Center for X-Ray Crystallography Core Facility (RRID:SCR_017688)

Description: Core for high resolution structural biology at the University of Vermont. X-ray crystallography allows biological and biomedical researchers to visualize proteins, RNA, DNA and their complexes at atomic resolution. The molecular details of specimens as small as DNA binding domains and as large as the ribosome have been elucidated via this powerful method. The CXX provides resources for all stages of macromolecular structure determination.

Abbreviations: CXX

Synonyms: Center for X-Ray Crystallography

Resource Type: service resource, core facility, access service resource

Keywords: Vermont, X-ray, crystallography, protein, RNA, DNA, atomic, resolution, visualization, service, core

Availability: Restricted

Resource Name: Vermont University Center for X-Ray Crystallography Core Facility

Resource ID: SCR_017688

Alternate IDs: ABRF_11, SCR_017704

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260807T042911+0000

Ratings and Alerts

No rating or validation information has been found for Vermont University Center for X-Ray Crystallography Core Facility.

No alerts have been found for Vermont University Center for X-Ray Crystallography Core Facility.
