## Northwestern University Central Laboratory for Materials Mechanical Properties Core Facility

RRID:SCR_017877
Type: Tool

### Proper Citation

Northwestern University Central Laboratory for Materials Mechanical Properties Core Facility (RRID:SCR_017877)

### Resource Information

**URL:** https://www.mccormick.northwestern.edu/materials-science/clammp/

**Proper Citation:** Northwestern University Central Laboratory for Materials Mechanical Properties Core Facility (RRID:SCR_017877)

**Description:** Core provides mechanical testing machines and accessories for conducting educational, research, and outreach experiments on most solid materials.

**Abbreviations:** CLaMMP

**Synonyms:** Central Laboratory for Materials Mechanical Properties

**Resource Type:** access service resource, core facility, service resource

**Keywords:** Material, mechanical, property, testing, solid, service, core, ABRF

**Funding:** NSF DMR 1720139

**Availability:** Open

**Resource Name:** Northwestern University Central Laboratory for Materials Mechanical Properties Core Facility

**Resource ID:** SCR_017877

**Alternate IDs:** ABRF_727

**Record Creation Time:** 20220129T080337+0000

**Record Last Update:** 20260905T133414+0000

### Ratings and Alerts

No rating or validation information has been found for Northwestern University Central Laboratory for Materials Mechanical Properties Core Facility.

No alerts have been found for Northwestern University Central Laboratory for Materials Mechanical Properties Core Facility.

## Data and Source Information

**Source:** SciCrunch Registry

## Usage and Citation Metrics

We found 3 mentions in open access literature.

**Listed below are recent publications.** The full list is available at RRID .
