Marshall Scientific: Saphyr

RRID:SCR_017992

Type: Tool

Proper Citation

Marshall Scientific: Saphyr (RRID:SCR_017992)

Resource Information

URL: <https://bionano.com/saphyr-systems/>

Proper Citation: Marshall Scientific: Saphyr (RRID:SCR_017992)

Description: Whole genome imaging instrument by Bionano Genomics for high speed, high throughput structural variant detection and analysis with exceptional sensitivity and specificity. Detects structural variations ranging from 500 bp to megabase pairs in length. For mosaic samples or heterogeneous cancer samples, detects all types of structural variants down to 5% Variant Allele Fraction. Calls repeats and complex rearrangements.

Synonyms: BIONANO SAPHYR?? GENOME IMAGING

Resource Type: instrument resource

Keywords: sequencing machine, hardware, high-throughput sequencing, instrument, equipment

Availability: Restricted

Resource Name: Marshall Scientific: Saphyr

Resource ID: SCR_017992

Alternate URLs: <https://www.analogway.com/files/uploads/produit/download/user-manual-saphyr.pdf>

Old URLs: <https://bionanogenomics.com/products/saphyr/>

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260801T190616+0000

Ratings and Alerts

No rating or validation information has been found for Marshall Scientific: Saphyr.

No alerts have been found for Marshall Scientific: Saphyr.
