[CuGenDB](#)

RRID:SCR_018401

Type: Tool

Proper Citation

CuGenDB (RRID:SCR_018401)

Resource Information

URL: <http://cucurbitgenomics.org/>

Proper Citation: CuGenDB (RRID:SCR_018401)

Description: Database to facilitate genomic and genetic data distribution, analysis, mining and integration for cucurbits. To store, mine, analyze, integrate and disseminate Cucurbitaceae family datasets and to provide central portal for cucurbit research and breeding community. Central portal for comparative and functional genomics of cucurbit crops.

Abbreviations: CuGenDB

Synonyms: Cucurbit Genomics Database, Cucurbitaceae family Genomics Database

Resource Type: data or information resource, topical portal, portal, database

Defining Citation: [PMID:30321383](#)

Keywords: Genomic data, genetic data, cucurbit, data distribution, data analysis, data mining, data integration, dataset, comparative genomics, functional genomics, cucurbit crop, FASEB list

Funding: USDA National Institute of Food and Agriculture Specialty Crop Research Initiative ;
US-Israel Binational Agricultural Research and Development Fund ;
USDA Agricultural Research Service ;
International Cucurbit Genomics Initiative

Availability: Free, Freely available

Resource Name: CuGenDB

Resource ID: SCR_018401

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260811T043625+0000

Ratings and Alerts

No rating or validation information has been found for CuGenDB.

No alerts have been found for CuGenDB.

Data and Source Information
