Proper Citation: Loupe Browser (RRID:SCR_018555)

Description: Desktop application that provides interactive visualization functionality to analyze data from different 10x Genomics solutions. Used to interrogate different views of 10x data to gain insights into underlying biology.

Synonyms: Loupe Cell Browser 4.0

Resource Type: software resource, data processing software, software application, data analysis software

Keywords: Interactive visualization, data analysis, 10x Genomics solutions, data

Availability: Restricted

Resource Name: Loupe Browser

Resource ID: SCR_018555
