rVista (RRID:SCR_018707)

Resource Information

URL: <https://rvista.dcode.org/>

Proper Citation: rVista (RRID:SCR_018707)

Description: Web tool for analyzing regulatory potential of noncoding sequences. rVISTA web server is interconnected with TRANSFAC database, allowing users to either search for matrices present in TRANSFAC library collection or search for user defined consensus sequences. rVISTA 2.0 web server is used for high throughput discovery of cis-regulatory elements. Can process alignments generated by zPicture and blastz alignment programs or use pre-computed pairwise alignments of several vertebrate genomes available from ECR Browser and GALA database. Evolutionary analysis of transcription factor binding sites.

Synonyms: rVista 2.0

Resource Type: analysis service resource, data access protocol, production service resource, service resource, software resource, web service

Defining Citation: [PMID:15215384](#)

Keywords: Noncoding sequence, regulatory potential analysis, matrices search, TRANSFAC library collection, cis regulatory element, process alignment, zPicture, blastz, pairwise alignment, genome, analysis, transcription factor binding site, bio.tools

Availability: Free, Freely available

Resource Name: rVista

Resource ID: SCR_018707

Alternate IDs: biotools:rvista

Alternate URLs: <https://bio.tools/rvista>

Record Creation Time: 20220129T080341+0000

Record Last Update: 20260919T195357+0000

Ratings and Alerts

No rating or validation information has been found for rVista.

No alerts have been found for rVista.
