Engauge Digitizer

RRID:SCR_019056

Type: Tool

Proper Citation

Engauge Digitizer (RRID:SCR_019056)

Resource Information

URL: <http://markummittchell.github.io/engauge-digitizer/>

Proper Citation: Engauge Digitizer (RRID:SCR_019056)

Description: Software tool accepts image files (like PNG, JPEG and TIFF) containing graphs, and recovers the data points from those graphs. Used to convert graphs to data points. Imports image file and then digitizes it by placing points along axes and curves.

Resource Type: software application, data processing software, image processing software, software resource

Keywords: Image file acceptance, graph image, graph data recovery, graph conversion, data point, image file import, image digitization

Availability: Free, Available for download, Freely available

Resource Name: Engauge Digitizer

Resource ID: SCR_019056

Alternate IDs: <https://github.com/markummittchell/engauge-digitizer/tree/v12.2.1>

License URLs: <https://github.com/markummittchell/engauge-digitizer/commit/c3599b7a14954fafeca11c356f56f0df3994b41f>

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260811T043625+0000

Ratings and Alerts

No rating or validation information has been found for Engauge Digitizer.

No alerts have been found for Engauge Digitizer.
