[tradeSeq](#)

RRID:SCR_019238

Type: Tool

Proper Citation

tradeSeq (RRID:SCR_019238)

Resource Information

URL: <https://github.com/statOmics/tradeSeq>

Proper Citation: tradeSeq (RRID:SCR_019238)

Description: Software tool as suite of tests for identifying dynamic temporal gene regulation using single cell RNA-seq data. Trajectory based differential expression analysis for sequencing data.

Synonyms: TRAjectory-based Differential Expression analysis for SEQuencing data

Resource Type: data processing software, data analysis software, software application, software resource

Keywords: Dynamic temporal gene regulation, gene regulation identifying, gene regulation, single cell RNA-seq data, differential expression analysis, sequencing data, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: tradeSeq

Resource ID: SCR_019238

Alternate IDs: biotools:tradesseq

Alternate URLs: <https://bioconductor.org/packages/tradeSeq/>, <https://bio.tools/tradeseq>

License: MIT

Record Creation Time: 20220129T080344+0000

Record Last Update: 20260801T190612+0000

Ratings and Alerts

No rating or validation information has been found for tradeSeq.

No alerts have been found for tradeSeq.

Data and Source Information
