Terumo: BCT COBE 2991 Cell Processor

RRID:SCR_020538

Type: Tool

Proper Citation

Terumo: BCT COBE 2991 Cell Processor (RRID:SCR_020538)

Resource Information

URL: <https://www.terumobct.com/2991>

Proper Citation: Terumo: BCT COBE 2991 Cell Processor (RRID:SCR_020538)

Description: COBE 2991 cell processor offers an alternative to labor-intensive methods for the separation of cell products, such as manually layering blood over a density gradient separation medium using conical tubes. These methods involve a large number of operator steps and manual pipetting techniques that require significant practice, introducing variability and the opportunity for operator error. Automated processing puts control at the user's fingertips. Protocols can be easily programmed for efficient, reproducible results while saving time and reducing the number of manual operating steps. For maximum flexibility, nearly all aspects of operation can be controlled manually. operation saves training time, requires little technical support and reduces the opportunity for operator errors.

Resource Type: instrument resource

Keywords: Terumobct, Cell Processor, Instrument Equipment, USEDit

Availability: Commercially available

Resource Name: Terumo: BCT COBE 2991 Cell Processor

Resource ID: SCR_020538

Alternate IDs: Model_Number_2991

Record Creation Time: 20220129T080350+0000

Record Last Update: 20260919T195437+0000

Ratings and Alerts

No rating or validation information has been found for Terumo: BCT COBE 2991 Cell Processor.

No alerts have been found for Terumo: BCT COBE 2991 Cell Processor.
