Hifiasm

RRID:SCR_021069

Type: Tool

Proper Citation

Hifiasm (RRID:SCR_021069)

Resource Information

URL: <https://github.com/chhy123/hifiasm>

Proper Citation: Hifiasm (RRID:SCR_021069)

Description: Software tool as haplotype resolved de novo assembler for PacBio Hifi reads. Can assemble human genome in several hours. Introduces new graph binning algorithm and achieves haplotype resolved assembly given trio data. Takes advantage of long high fidelity sequence reads to represent haplotype information in phased assembly graph. Preserves contiguity of all haplotypes.

Resource Type: sequence analysis software, software application, data processing software, data analysis software, software resource

Defining Citation: [PMID:33526886](#)

Keywords: PacBio Hifi reads, haplotype resolved de novo assembler, trio data, long high fidelity sequence reads,

Funding: NHGRI R01 HG010040;
NHGRI U01 HG010961;
NHGRI U41HG010972

Availability: Free, Available for download, Freely available

Resource Name: Hifiasm

Resource ID: SCR_021069

License: MIT License

Record Creation Time: 20220129T080353+0000

Record Last Update: 20260804T043715+0000

Ratings and Alerts

No rating or validation information has been found for Hifiasm.

No alerts have been found for Hifiasm.
