GuPPy

RRID:SCR_022353

Type: Tool

Proper Citation

GuPPy (RRID:SCR_022353)

Resource Information

URL: <https://edspace.american.edu/openbehavior/project/guppy/>

Proper Citation: GuPPy (RRID:SCR_022353)

Description: Software Python toolbox that makes fiber photometry data analysis intuitive and light on programming.Used to measure neural activity of freely behaving animals.

Synonyms: Guided Photometry Analysis in Python

Resource Type: software resource, data processing software, software application, data analysis software

Defining Citation: [DOI:10.1038/s41598-021-03626-9](https://doi.org/10.1038/s41598-021-03626-9)

Keywords: OpenBehavior, photometry analysis, neural activity measure, freely behaving animals

Resource Name: GuPPy

Resource ID: SCR_022353

Alternate URLs: <https://github.com/LernerLab/GuPPy>

License: GPL v3

Record Creation Time: 20220602T050140+0000

Record Last Update: 20260804T043738+0000

Ratings and Alerts

No rating or validation information has been found for GuPPy.

No alerts have been found for GuPPy.

Data and Source Information
