Proper Citation: University of Pennsylvania Penn Vet Comparative Pathology Core Facility (RRID:SCR_022438)

Description: Provides support to investigators utilizing animal models to study disease. Comparative Pathology Core, Abramson Cancer Center shared resource, provides expert pathological characterization and validation of mouse and other animal models used in biomedical research by offering expertise of board certified veterinary pathologists and access to histology, immunohistochemistry, and digital pathology services.

Abbreviations: CPC

Synonyms: University of Pennsylvania Penn Vet Comparative Pathology Core, Penn Vet Comparative Pathology Core

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF

Resource Name: University of Pennsylvania Penn Vet Comparative Pathology Core Facility
