

Resource Summary Report

Generated by RRID on Sep 10, 2026

Penn State Hershey College of Medicine Light Microscopy Imaging Core Facility

RRID:SCR_022526

Type: Tool

Proper Citation

Penn State Hershey College of Medicine Light Microscopy Imaging Core Facility
(RRID:SCR_022526)

Resource Information

URL: <https://research.med.psu.edu/core-facilities/light-microscopy/>

Proper Citation: Penn State Hershey College of Medicine Light Microscopy Imaging Core Facility (RRID:SCR_022526)

Description: Provides consultation and training in ultra high resolution imaging of cells and tissues in fixed or live states. Provides expertise in quantitative image analysis and consultations on microscopy related research projects.

Abbreviations: Penn State COM

Synonyms: The Light Microscopy Imaging Core (Penn State COM)

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, ultra high resolution imaging of cells and tissues, fixed or live cell states, quantitative image analysis,

Resource Name: Penn State Hershey College of Medicine Light Microscopy Imaging Core Facility

Resource ID: SCR_022526

Alternate IDs: ABRF_1454

Alternate URLs: <https://coremarketplace.org/?FacilityID=1454&citation=1>

Record Creation Time: 20220628T050153+0000

Record Last Update: 20260905T133427+0000

Ratings and Alerts

No rating or validation information has been found for Penn State Hershey College of Medicine Light Microscopy Imaging Core Facility.

No alerts have been found for Penn State Hershey College of Medicine Light Microscopy Imaging Core Facility.

Data and Source Information
