Proper Citation: ThermoFisher Connect Platform (RRID:SCR_023441)

Description: Platform for connecting people, software, data, and equipment. Helps integrating software, instruments, and data across your lab's existing ecosystem. Provides: workflows guide users through processes involving multiple systems;Centralized access to Thermo Fisher Scientific instrument service and expertise;Connectivity to monitor and maintain instruments and equipment;Granular data sharing controls to enhance collaboration;Secure environment.

Synonyms: Connect Platform

Resource Type: software application, software resource

Keywords: ThermoFisher, integrating software, integrating instruments, integrating data, laboratory ecosystem,

Availability: Restricted

Resource Name: ThermoFisher Connect Platform

Resource ID: SCR_023441

Record Creation Time: 20230405T050216+0000
