Proper Citation: LW Scientific: ZipCombo centrifuge (RRID:SCR_023891)

Description: Multi-function microcentrifuge available with choice of three rotors. The flat microhematocrit rotor spins shorter capillary tubes and eliminates angled separation lines, clay blow-outs, and broken tubes. The six place microtube rotor spins 1.5 to 2.0ml tubes for serum and urine separations and comes with adapters for smaller sized tubes (0.2ml-1.5ml). The optional 16-place PCR strip rotor spins two 8-place strips. The ZipCombo is well-suited to accomplish blood and urine separations, microfiltrations, and DNA preparations.

Synonyms: ZipCombo Centrifuge

Resource Type: instrument resource

Keywords: Centrifuge, instrument, equipment, LW Scientific, microcentrifuge,

Availability: Restricted

Specification URL: https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR_023891.pdf

Resource Name: LW Scientific: ZipCombo centrifuge

Resource ID: SCR_023891
