Proper Citation: AltaiR (RRID:SCR_024752)

Description: Software C toolkit for alignment free and spatial temporal analysis of multi-FASTA data. Used for entangling presence of multiple sequences from epidemic and pandemic events.

Resource Type: data analysis software, data compression software, data processing software, data visualization software, software application, software resource

Keywords: alignment free, spatial temporal analysis, multi-FASTA data, sequence, analysis, multiple sequences entangling presence, , FASTA format, epidemic and pandemic events,

Funding: Genomic Data Infrastructure Fundação para a Ciência e a Tecnologia; CEECINST/00026/2018 Fundação para a Ciência e a Tecnologia; European Commision 101081813

Availability: Free, Available for download, Freely available

Resource Name: AltaiR

Resource ID: SCR_024752

License: GNU GPL v3.0

Record Creation Time: 20231206T183340+0000

Record Last Update: 20260829T183344+0000

Ratings and Alerts

No rating or validation information has been found for AltaiR.

No alerts have been found for AltaiR.
