HDOCK server

RRID:SCR_024799

Type: Tool

Proper Citation

HDOCK server (RRID:SCR_024799)

Resource Information

URL: <http://hdock.phys.hust.edu.cn/>

Proper Citation: HDOCK server (RRID:SCR_024799)

Description: Web server for protein-protein and protein-DNA/RNA docking based on hybrid strategy. With input information for receptor and ligand molecules either amino acid sequences or Protein Data Bank structures, the server automatically predicts their interaction through hybrid algorithm of template-based and template-free docking.

Synonyms: HDOCK

Resource Type: web service, data access protocol, software resource

Defining Citation: [PMID:28521030](#), [PMID:32269383](#)

Keywords: Web server, protein-protein docking, protein-DNA/RNA docking, amino acid sequences, Protein Data Bank structures, receptor and ligand molecules input information, interaction prediction,

Funding: National Natural Science Foundation of China ;
Huazhong University of Science and Technology ;
National Key Research and Development Program of China

Availability: Free, Freely available

Resource Name: HDOCK server

Resource ID: SCR_024799

Record Creation Time: 20231220T050231+0000

Record Last Update: 20260804T043821+0000

Ratings and Alerts

No rating or validation information has been found for HDock server.

No alerts have been found for HDock server.
